Your Ref.:

Our Ref.: PS 1Dear Sir

During your last visit I mentioned that Mr Stockley had asked me to retain the '69 R1 v Facing (city I don't know) until Nov. Around then he phoned to have the R1 figures read off to him (city I don't know). Anyway the question is that is not quite clear on what you have or do not have — so I have attached Facing's v R1's covering both periods — I hope that they are intelligible.

The spread off area at Lake Moore is as I mentioned diagrammatic rather than accurate and represents 4-5 of unknown Bore scrub (with rock outcrops) for planting next season.

Yours sincerely

Signed

/ Stalladele
