

The Mary Sutherland Memorial Redwood

1882 - 1952

Mary Sutherland graduated from Bangor University, Wales, in 1918 with a BSc in Forestry. She was the first woman forestry graduate in the world.

She was also the first woman appointed to the Forestry Service in a forestry where she worked from 1922 to 1952, first at Culloden Estate, Inverness and then at Strathgairn Forest, Banffshire.
