My Dear Friend,

It was such a Pleasure to find some one who remembers the boys who were in Scotland in 1917 that you really made our visit and our taxi driver was so good to us.

You made our visit and we were so pleased that we could make new friends like you and Sandy's nephew & wife.

This little Gift is a token of our friendship & love. if you ever want to write to us we would be very pleased with Love & Friendship

Edgar & Bea Leavitt.
