Toastmaster, Richard L. Melcher, Jr., Unit No. 2

New England Sawmill Units Association

August 21, 1922

Dear Brother Sawmiller:-

You've received the first copy of HOOT MON and can now well realize that this reunion is to be a hummer. Everyone is talking about it.

So many have indicated that they will be on hand that the manager of the Montreal House is worried for fear that he won't have rooms enough. He asks each one of us to make our room reservation in advance. By so doing we won't get left. With the reservation he suggests an advance deposit of \$5.00 to be credited to each man's account.

If you want to room with your pal indicate your preference, otherwise you'll be assigned a room with a member of your old unit. Fill out the blank—enclose this with your check or money order in the envelope—and mail.

Several inquiries about the cost of the reunion have been received. Here's the dope. Room and three meals per day \$4.00. To cover the entertainment features Brother Mullavey will collect a \$5.00 assessment from each one attending the reunion. If there be a single individual who doesn't figure that he gets his money's worth Mac will cheerfully refund the fiver. On top of these expenditures will be your car fare.

BRING YOUR BATHING SUIT. There are fifty bath houses connected with the hotel. You'll want it for the water sports.

Don't forget your baseball glove either.

If you own a camera shag it along.

Are you ready?

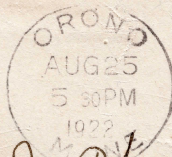

LET'S GO.

Yours for the Biggest Time Ever,

THE COMMITTEE

NEW ENGLAND SAWMILL UNITS ASSN.
